

# SIEA TRADING AS SOLOMON POWER

## TARIFF ADJUSTMENTS FOR MARCH 2017

In accordance with **The Electricity Act (Cap 128)** and **The Electricity Tariff (Base Tariff and Tariff Adjustment) Regulations 2016**, the electricity Tariffs have been reviewed and the following new Tariffs will apply with effect from 1st March, 2017.

**Tariffs:** The Tariffs effective 1st March 2017 will be as follows:

| <b>Regular Customer with Kwh Meters</b> |  |                                |                                    |
|---|--|--------------------------------|------------------------------------|
| <b>Customer Categories</b>              | <b>Network Access Charge<br/>SBD/Month</b> | <b>Fuel Charge<br/>SBD/kWh</b> | <b>Non-Fuel Charge<br/>SBD/kWh</b> |
| D1 < 50 kWh                             | 15.34                                      | 2.24                           | 3.24                               |
| D2 50 - 200 kWh                         | 51.14                                      | 2.24                           | 3.31                               |
| D3 200 - 500 kWh                        | 102.28                                     | 2.24                           | 3.37                               |
| D4 > 500 kWh                            | 204.56                                     | 2.24                           | 3.81                               |
| C1 < 250 kWh                            | 40.91                                      | 2.24                           | 3.87                               |
| C2 250 - 600 kWh                        | 102.28                                     | 2.24                           | 3.49                               |
| C3 600 - 1300 kWh                       | 204.56                                     | 2.24                           | 3.21                               |
| C4 1300 - 2500 kWh                      | 409.13                                     | 2.24                           | 2.89                               |
| C5 > 2500 kWh                           | 1,534.22                                   | 2.24                           | 2.74                               |
| I1 < 1300 kWh                           | 102.28                                     | 2.24                           | 3.55                               |
| I2 1300 - 6000 kWh                      | 409.13                                     | 2.24                           | 3.05                               |
| I3 > 6000 kWh                           | 3,068.45                                   | 2.24                           | 2.72                               |

| <b>Regular Customer with Cashpower Meters</b> |                                    |                                |                                  |
|---|------------------------------------|--------------------------------|----------------------------------|
| <b>Customer Categories</b>                    | <b>Non-Fuel Charge<br/>SBD/kWh</b> | <b>Fuel Charge<br/>SBD/kWh</b> | <b>Energy Charge<br/>SBD/kWh</b> |
| D1 < 50 kWh                                   | 3.62                               | 2.24                           | 5.86                             |
| D2 50 - 200 kWh                               | 3.67                               | 2.24                           | 5.92                             |
| D3 200 - 500 kWh                              | 3.69                               | 2.24                           | 5.93                             |
| D4 > 500 kWh                                  | 4.23                               | 2.24                           | 6.47                             |
| C1 < 250 kWh                                  | 4.14                               | 2.24                           | 6.38                             |
| C2 250 - 600 kWh                              | 3.76                               | 2.24                           | 6.00                             |
| C3 600 - 1300 kWh                             | 3.47                               | 2.24                           | 5.71                             |
