Contract No. and Title: SPD-0417-Solomon Islands Solar Power Development Project

Deadline for Submission of Bids: 18<sup>th</sup> October 2017 12 PM (Honiara Time)

1. The Government of Solomon Islands has received financing from the Asian Development Bank (ADB) towards the cost of Five Solar Hybrid Power Plants. Part of this financing will be used for payments under the contract named above. Bidding is open to Bidders from eligible source countries of ADB and countries that have not been prohibited by United Nations Security Council taken under Chapter VII of the Charter of the United Nations. In addition only eligible Bidders with key qualifications given below should participate in this bidding.
  - Net worth in the last financial year should be positive;
  - Minimum average annual turnover of US\$ 10,000,000 within last three years;
  - At least two similar contracts should have been successfully or substantially completed within the last three (3) years and the value of the Bidder's participation should exceed US\$ 9,000,000;
  - Ability of financial resources to meet the total requirement of US\$ 1,600,000 after meeting its current contract commitments;
  - A minimum experience of three (3) years' experience in (i) design, supply, installation and O&M of Solar and Diesel hybrid power plants, with at least two (2) such plants with not less than 150kVA output in the Pacific region and (ii) design, construction and commissioning of Step-up 415V/11kV or step down 33/11 kV substation and having completed five such projects.
2. Solomon Power ("the Employer") invites sealed bids from eligible Bidders for the construction and completion of Solar PV-Diesel Hybrid Power Plants along with Storage batteries on a turnkey basis at Kirakira, Lata, Malu'u, Munda and Tulagi of Solomon Islands. The Bidders will be required to provide support to Solomon Power for ongoing operation and maintenance of the plant for a period of 12 months. The scope of the bid also includes the supply of distribution equipment

only but the responsibility for its installation is with Solomon Power. All listed subprojects in 5 Islands (for the indicated scope of work) will be carried out under a single responsibility contract and bidders must bid for all five (5) subprojects.

3. International competitive bidding will be conducted in accordance with ADB's Single Stage: Two Envelope bidding procedure and is open to all Bidders from eligible countries as described in section 5 of the Bidding Document.
